Club Officers

- PRESIDENT – **Ted Staley**
- VICE PRESIDENT – **Tom Ashworth**
- TREASURER – **Ouida Staley**
- SECRETARY – **Debra Ashworth**

Please help our officers by volunteering for committees or items of interest!

Presidents Corner

Hello Fellow Diggers,

This Year started out with a great meeting place and a great meeting. Tom Ashworth gave a presentation on rock tumblers and tumbling rocks. Thanks Tom! Kent Gibson AKA Gibby surprised us by bringing in fossils and agates he found on the beaches by Newport OR. He also gave a great presentation. Thanks Gibby!

I am looking forward to the outing Jan 31 its going to be Fossil hunting and rock hounding on the beach. It will be hosted by Gibby. Thanks Gibby for volunteering to give us a great outing

After seeing Gibbys fossils had I have great hopes on finding that special one. The club will bring coffee, tea and hot chocolate.

Hope to see you all there.

We are going to need volunteers for the Gold Show March 18-19. Also the set up Friday night and tear down Sun after the show. We will be selling the annual Dredge raffle tickets, large and small gold panning kits. We will have memberships applications to hand out. They have to be filled out and returned.

There will be a sign up sheet at the next meeting. If you can not be there let me know and I will put your name down. Last year we did 3 or 4 hr shifts depending on the amount of volunteers.

Regards, Ted Staley

Millennium Diggers President

Fossil Hunting Outing

By Tom Ashworth

We had our January 2004 outing near Newport. We were hunting for fossils and agates. There were many different items to find in this location. I personally found some nice agates and some great fossils. We had over 10 people show up. It was very bad weather. It was cold, raining and wind was blowing. All in all, everyone had a good time. Gibby had given me some information about fossils to post in this newsletter, but I have been out of town a lot and not had time to add this information.

SOME GREAT PICTURES FROM OUR OUTING!
